Care Tips

Regular	• Regular grooming keeps turf upright & infill from impacting
As Needed	• Use a broom to puff up flattened turf
Weekly	• Hose down fibers to remove dust & other small debris
Monthly	• Use a flexible rake or broom/brush with stiff bristles (not steel) to remove leaves, dirt & other debris
Pet Waste	<ul style="list-style-type: none"> • Hose pet urine at least once a week • Pick up solid waste frequently – bag or pooper scooper • Vinegar & water combats odor & bacteria and is eco-friendly
Cool Down	<ul style="list-style-type: none"> • Hose down • Use existing sprinkler system • Set up a kiddie pool for pets
